spread a width of 74 feet. This spreader is easy to load because it is low-down.

Kennard & Co. PRICE FAIRNESS

Read Every Item

Here will be found lines of merchandise that, by comparison, will impress everyone with their reasonableness.

Careful watching of the markets with large advance orders placed months ago gives us an enviable position during this trying period. We mention lines you are acquainted with on which advances are so slight as not to be noticeable.

Chiffon Broadcloth, Storm Serges, Taffeta Silks, Satins. Best Silk Hose you have ever seen, \$1.00 a pair. Best Washable Kid Gloves, \$2.00 a pair.

French Kid Gloves, "Trefousse & Co.," a half-century of selling here, \$2.00, \$2.25, \$2.50 a pair.

Neckwear, Leather Goods, Laces and Trimmings cov a full range of prices.

Silk Petticoats, \$3.50 each. A few years ago we thought \$5.00 a very low price. Turkish Towels, plain colored and initial were never

offered below today's prices. Table Damask and small fancy Linens are still within

the reach of the most modest purse. We cannot urge too strongly your selecting Blankets now. Ours are based on prices of last January's contracting. Recently all mills and stocks have been commandeered for army and navy purposes, therefore there is no chance to replenish. Our values are wonderful.

Knitted and Muslin Underwear will be found normal.

Garment Section News

Bring your judgment to bear on lines of garments we show. You will say that Suits at \$25.00 each are as good as you ever saw at the price. The same prevails right through the suit line.

Ask to see the range of Dresses at \$18.00, \$20.00, \$22.50, \$25.00, \$30.00, \$35.00 each and you will wonder at their beauty and reasonableness.

Waists, Top Coats, Skirts and Furs are all equally as fairly priced. We solicit charge accounts of those of established cred-

it, and deliver free within a reasonable distance. 621-23 Market St., Wilmington
